travelers to different locations in the country were tested. One-hundred and Seventy-Four (174) out of these returned negative. One sample, however, was positive. The 60-year-old traveler is in good health in isolation. A full contact tracing operation is underway. **South Sudan now has six (6) confirmed cases.**

The High-Level Taskforce, resolves to place all 101 potential contacts of the sixth case in quarantine for at least 14 days. Taskforce urges the contacts to cooperate with the Ministry of Health's Rapid Response Teams.

The High-Level Taskforce welcomes and commends the support and financial contribution of the donor community to boost the efforts of the government in fighting COVID-19 Pandemic. The Taskforce calls on the partners to closely collaborate with the Ministry of Health in implementation of National Pandemic Operational Plan.

The High-Level Taskforce calls for an engagement between the government and the donor community in order to reflect donor grants in the national budget of the government of South Sudan.

The High-Level Taskforce directs administrations of the defunct states to form unified State Taskforces in each capital of the ten (10) States. The Taskforce also calls for the formation of the County COVID-19 Committees as soon as possible. This is necessary for streamlining preparedness and response activities at all levels of governance structure.
