Ministerial Order No: 007/2020

Suspension of Issuance of Covid-19 Negativity Certificates.

It has come to the attention of my office that some people, particularly around Juba International Airport (JIA) have been issuing fake Covid-19 negative test certificates. This is a criminal undertaking that I take issue with seriously.

In light of the above and in the best interest of protecting the public from these criminal activities: I do hereby order for suspension of issuing of Covid-19 negativity certificates until further notice.

The Undersecretary is hereby directed to take all the necessary actions to implement this order.

Issued and signed under my hand in Juba on this Third Day of the Month of June in the Year Two Thousand and Twenty AD.

Hon. Elizabeth Acuei Yol
